

RECARO

FOR CONTINUOUS USE

RECARO Guard 24/7

Ideal for round-the-clock use in control and monitoring rooms:
 The RECARO Guard 24/7 has the perfect ergonomic shape, can be adjusted in numerous ways and is thus especially comfortable. Decisive factors for custom adaptation include adjustable backrest side bolsters, an adjustable fully upholstered headrest, lumbar support and individually adjustable armrests.

// RECARO Guard 24/7
